Jessica & Ann

I realized I was incorrect on below message regarding the funding.

Incremental \$30 Trailing Credit is effective 12/21 through 12/28

Sales News \$38 Trailing Credit ends on 12/24

This means the \$30 + \$38 = \$68 is only effective 12/21 through 12/24.

I apologize for the error.

Jessica

The support is for 12/21 through 12/28 as the promotion was not executed until 12/21. If I am wrong, and the promotion started 12/19, please let me know as soon as you can so I can get approval and fix the paperwork.

The amount is correct:

\$38 per Sales News + \$30 per this email string

Tish,

Let me just clarify for my sake that I have this correct. From 12/19-12/28 Sony will support a \$68 (original \$38 TC + \$30 TC).

Please confirm.

Thanks!

Ann

Per our conversation, Sony will support \$30TC on the SR45 (in stores and on line) in addition to the current SP3 program, effective today through 12/24.

Please use strike through pricing on .com and show the final retail price in cart and not on the landing page.

Sony understands that it is most likely not possible to implement until Sunday.

Please contact us if you have any questions.
Thank you for your support.
